

CLEAN AMENDMENT OF THE CLAIMS

In the Claims:

Please amend Claim 35 as follows.

35. (Amended) The system of Claim 33, wherein each electronic device includes:

(a) a microphone operatively coupled to the electronic device and which produces audio signals in response to words spoken by a user into the microphone; and

(b) at least one sound transducer operatively coupled to the electronic device so as to replicate sounds corresponding to an audio data signal received over the communications network by the electronic device to which said at least one sound transducer is operatively coupled.
